FINANCIAL POLICY & ASSIGNMENT OF BENEFITS

Financial Policy: Payment is expected at the time of service. We accept cash, check or credit card. If we are contracted with your insurance, we ask that you pay any co-payments, co-insurance and deductibles that have not been satisfied. Co-payments must be paid prior to seeing the doctor. *If the patient is a minor, financial responsibilities lie with the parent/guardian bringing the child*

Your insurance policy is a contract between you and/or your employer and your insurance company. *Depending on your insurance plan, some office procedures (for example, hearing tests and endoscopies) are either not covered or subject to deductibles and co-insurance in addition to your co-payment.* It is your responsibility to know your insurance plan benefits.

No Show Policy: If an appointment is not cancelled at least 24 hours in advance you will be charged a **\$50.00** fee.

Self-Pay Financial Policy: For services rendered in the office, a minimum payment of **\$300.00** is required prior to seeing the doctor and the remaining balance is due at check out unless other payment arrangements are made in advance. For elective surgical services, payment in full is required a minimum of two weeks prior to the surgery date unless other arrangements are made in advance.

Assignment of Benefits: I authorize the release of any information necessary to process claims and direct payment to myself or the doctor who accept assignment.

WAIVER FOR NO REFERRAL (if applicable)

Your current insurance requires a referral from your Primary Care Physician before our physicians can see you and before we can submit a bill to your insurance company for reimbursement. Since you do not have a referral, we require that you pay \$75 up front and establish a payment agreement for the balance. If a referral is obtained at a later date or a referral is not necessary and the insurance company's Explanation of Benefits has shown the service to be eligible for payment, you will be reimbursed any overpaid amounts.

I have elected to visit this specialist and to receive services without a written insurance referral from my primary care physician.
